REGIONAL MEETINGS

Tim has been invited to attend three Regional Meetings of Faith in Action groups, one in Albany, New York, one in Charles Town, West Virginia and another in Washington, DC. He takes his laptop computer and generally demonstrates CareWorks during the lunch hour break. This has been a very good way for interested programs to learn about the software and get their questions answered in person.

“CareWorks is the other staff member in my one person FIA office. I can’t imagine each day without it.”

FAITH IN ACTION LOGO

How about silk-screening the Faith in Action logo on some canvas tote bags for a Fundraiser? Great idea!

TECHNICAL SUPPORT

There is on-screen help in the CareWorks program. Many of the questions you may have can be answered if you check that out. If it’s easier for you, print up a copy and keep it nearby.

Also, there is unlimited technical phone support for the first year when you buy CareWorks. Don’t hesitate to call or email Shirley (speck@aboutcareworks.com) with your questions. Even if she doesn’t know the answer, she will find out and get back to you!

LIFE’S BLESSINGS - From Nancy Hermansdorfer

(a REACH Caregiver from Hagerstown, MD)

“There is little difference between the role of Caregiver and Care recipient. In today’s world these roles can reverse in only seconds. We all live life on the edge. Having it all (as we perceive) to having nothing is a frequent reality in our volatile economic structure of today....

May God Bless all those who give so much of themselves to others who need them.”
